## Expense your way

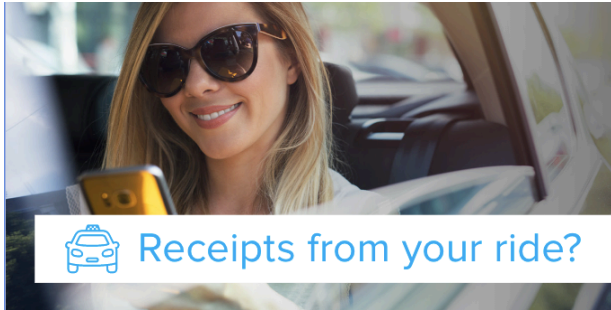

December 12, 2018

Expenselt has been updated to give you more control over creating expenses. With the latest version of the app, you can review and edit the receipt amount in real-time so you can quickly and confidently submit expense reports whenever you're ready.

Select *Expenselt* on the home page of the app to capture a new expense.

Send receipts directly to Concur by connecting your favorite apps.

Connect

Connect your favorite hotels for effortless expensing.
